Description: Hotel Assisi 3 Stars Assisi

Welcome

"Our House" is in the heart of the green Umbrian hills situated at 3 km away from the centre of Assisi. The peaceful area, the family environment and the excellent position make it the ideal destination for a relaxing holiday in close contact with nature, good food and spirituality. From our position thanks to the surrounding nature and the green hills sweetly making their way down to the Umbrian valley you will have the feeling of being in a "agritourism", where the family-run direction will also make your stay as pleasant as possible

Bedrooms

All the bedrooms have bathroom/ WC, hairdryer, surgical mattress, TV/ SAT, air conditioning, safe. (mini- fridge on request)
You can sleep peacefully in our quiet and comfortable bedrooms and you can wake up with twittering birds. For a good start a rich breakfast buffet with a wide selection of sweet and savoury things and also home made cakes and biscuits will be served.

Superior rooms

The attractive view of our new Superior bedrooms will make your eyes shine with the green light of the hills and the intense red light of our sunsets.

Moreover cherry- wood combined with the warm yellow and blue tones will make the bedroom's atmosphere so relaxing as to feel at

home.

Services

Sunset is the best moment of the day; while sipping an aperitif in the fresh garden next to the bar, you will have the feeling of being a real part of this paradise corner.

In the shade an age- old mulberry tree the repeating natural show will give you a magic and relaxing atmosphere.

Children will have the chance to spend some time in a little playground specially created for them equipped with swing, slide and a little carousel.

Swimming pool

The real jewel of the hotel is the swimming pool, which has a splendid view and which is surrounded by the typical flowers and scents of this area.

Restaurant

The main goal in our family- run hotel is our guests' satisfaction, particularly as far as food is concerned.

For years our food has been based on a family tradition or else on guaranteed genuine flavours. We will whet your appetite with Our Specialities which are very appreciated by our regular guests.

All our guests know very well the delicious meals prepared by Maria Teresa our extraordinary cook. Some specialities are for example the delicious pasta dish "Tagliatelle alla Peppino with Truffle", the famous "Stuffed Rabbit", and last but not least the pasta dish "Strangozzi with Mushrooms" and the delicious cake "Schiacciata Chantilly".....So what are you waiting for? Come and visit us, why don't you try it on your own!!!!
