## Description: Hotel Zen Perugia Perugia

### HOTEL WITH WELLNESS IN PERUGIA

Rebuilt on what remains of an old Umbrian contryhouse in colonial style, Hotel Zen is, instead, a little jewelry of design and technology, situated in the most green area of the city, **at few minutes from the historical centre.**

Its characterful façade reflects the core concepts of **HOUSE and HOSPITALITY**: the charming and elegant atmospheres, the warmth of the wooden floor, the suggestive tonalities and the precious finishings of the interiors make it an exclusive place where to relax and regenerate in one of the world's most beautiful cities.

Respectful of the past but with the stare upon the future, **Zen is the ideal point of departure to enjoy the green Umbria by nature trails and by visiting the places of tradition, especially the medieval suburbs of central Italy.**

Each of its luminous and wide rooms takes the name from the colours of the 5 elements of Nature and from the Cardinal Points, according to its exposure.

They are provided with minibar, kettle with tea selection, basin/ shower in private bathroom, safe, TV- LCD, direct telephone, free Internet, air – conditioner, free newspapers in room on request.
