Description: Mercato delle Gaita a Bevagna - Festa Medievale Bevagna

The Event

Gaita medieval market is based on Bevagna four parts named Gaita that governed the town in the medieval age.

Aim of the event is to represent the medieval real life in all its details.

At the end of June Bevagna spends 10 days working on this project.

The 4 Gaites participate to 4 tournaments: medieval market preparation, medieval works representation, food and wine preparation, arch tournament.
