History: The original core is a military tower in 1200 which is still a trace into the facade: a portal fourteenth century stone limestone.

In the fifteenth century. became Castellotti country and still retains the features of the Renaissance in the high coffered ceilings, large volumes of its rooms, the decorations in stone doors, and the charming little courtyard with well.

The great portal of entry (drawn on the labels of wines) is the seventeenth- century era, when there was a subsequent ristrutturazione with the creation of the stables for the carriages now used to limonaia.

The large stone farmhouse complete this small village with the main square station, the roof terrace with fountain, the "slip", the formal italian garden, the park around with sculptures by Luigi Galligani, visit the studio.

The farm produces excellent Chianti Classico wine, white wine, Rosé and a precious vinsanto caratello, organizes tours to their wine cellars with tasting of their wines.

Included in the price: breakfast, cleaning rooms and bathrooms (except Sunday), pool towels, heating charges
