Description: Residenza d'Epoca Bettona, Spa and Panoramic Pool Bettona

The Relais Bettona lies in the heart of the old town centre.

In fact, its entrance faces the main square. The building, which was originally a medieval "hospitale" for pilgrims and orphans in the 14th century, stretches out within the village in a series of enchanting terraces, solariums, and lookouts that are perfectly equipped and designed for guests seeking a truly exclusive relaxing holiday.

The entire facility has been further enhanced by an impressive restoration project that united elegance and sophistication with the original spirit of the place.

The warm and welcoming atmosphere immediately envelops guests upon entry.

There are spacious common areas for chatting, reading a magazine or enjoying an aperitif or drink to the bright tunes of live music. The staff is courteous, efficient, and always ready to help.

All Relais hospitality is not a profession but rather a calling, and we continuously monitor, adjust, and improve our services

in order to meet all guest needs.

Rooms & Suites

The facility has thirty- nine accommodations including classic, superior and deluxe rooms, junior suites and suites.

All accommodations are furnished in an elegant, sophisticated manner, and each one shows the careful attention that was given to the distribution of space and the recovery and integration of construction materials during the realisation of a truly exemplary restoration project.

Each room offers individual climate control system (heating and air conditioning), satellite TV, minibar, direct telephone, and private safe.

Moreover, they are all wired with Internet.

Restaurant

Naturally, the attention to detail and sophistication of the Relais are also found in the kitchen.

The "La taverna dei Giullare" restaurant, which is located inside an old oil mill, will surprise guests with the finest traditional Umbrian dishes, characterised by strong, genuine and authentic flavours.

Dinner will find the best of regional gastronomy, including cold- pressed extra virgin olive oil, cold meats from Norcia and Bettona, mushrooms from the local woods, truffles and legumes from Valnerina, and exceptional wines.

These culinary delights are served in a warm, intimate environment that even offers veranda dining with a view that is unparalleled in its beauty.

Relaxation is a must at Relais Bettona.

The beautiful terraces and solarium, which overlook one of the most enchanting landscapes in Central Italy, are wonderful spots for relaxing.

Another fine area for enjoying a few peaceful moments is the swimming pool, where guest can eat at the restaurant or savour a nice drink.
Sala Meeting

The sauna and the gym at the Relais complete the facility, which has been designed for guest who, after an interesting and pleasant day out on excursions, want to restore themselves or simply enjoy the hotel "isolating themselves from the world".

You can also watch sports events and shows on Sky Satellite TV.

The Relais also offers business travellers extremely well- crafted and highly organised services: a functional meeting room with all the necessary equipment and two smaller rooms for meetings, presentations, and other smaller events.

Consistent with the spirit of the hotel, these spaces have also been designed and laid out to provide maximum concentration, privacy and even relaxation when needed.

In addition, the Relais has a designated smokers' area compliant with current law as well as two rooms equipped with Wi- Fi technology.
