Our exclusive indoor Spa is perfect to heal and rejuvenate your body and mind. You can try our personalized treatments, sauna, Jacuzzi, steam bath, chromotherapy and gym.

Our guests can choose to spend their time relaxing in our elegant lounge with library and sofas or to walk around in our huge outdoor garden with big swimming pool where they will enjoy a great view of Assisi.

The restaurant is elegant and refined, offers an excellent service and proposes typical Umbrian menus, so that our guests can taste both traditional meals and particular recipes.

All the guest rooms are named after plants and flowers of the ancient officinal tradition: they are totally inspired by the surrounding nature....you will find the Lavandula, Calendula, Salvia officinalis...

On request, our staff organizes cooking classes, painting and history of art classes, in order to make your stay in Umbria even more complete.

On request, you can book our shuttle service to the historic centre of Assisi. Moreover, our guests have discounted rates for guided tours of Assisi, escorted by professional tour guides. Ask our customer service for further details.
